

BLESSED SACRAMENT SCHOOL

SPES MESSIS IN SEMINE... *THE HOPE OF THE HARVEST IS IN THE SEED*

December 10, 2018

Dear Parishioners, Alumni, Families and Friends,

I hope you and your family are enjoying a happy & healthy Christmas Season. It seems only yesterday we were making plans to enhance our preschool program, and thanks to your generosity, we were able to launch a summer camp, complete with air conditioning, for our youngest learners in 2018. Your generous donations also enabled us to upgrade the preschool bathrooms with new flooring, toilets and fixtures, and allowed us to incorporate an entirely new middle school science program aligned with the Next Generation Science Standards. Thanks to you, our students are engaged in virtual science labs, online lessons from renowned scientists, and project-based learning units.

It seems our academic initiatives, infrastructure improvements and social & emotional development programs are yielding positive results. We have enjoyed an enrollment increase in 2018, and these students have filled the halls with their laughter, enthusiasm and eagerness to learn. We are filled with a sense of purpose, and we pray that our Annual Appeal will help the Parish School fulfill its mission.

I am writing today to ask you to join me in making your contribution to the Annual Appeal. As many of you know, one of the main functions of the Appeal is to keep tuition affordable. Blessed Sacrament continues to be the most affordable Catholic Elementary School in Providence and as many of you also know, tuition only accounts for about 85% of the operating costs of the school. Your gift to the Annual Appeal makes up a large portion of the difference. Please consider joining me in donating to this important cause. Our goal is to raise \$50,000.00, and increase the number of donors in the Pastor's Circle.

Enclosed, please find the donor information card and a return addressed envelope with all the information you need to make your gift/pledge. Please respond by the end of December so we can begin to prepare for the 2019-2020 school year.

Thank you for all you do for Blessed Sacrament. Your commitment to the success of the school makes Blessed Sacrament what it is today.

Sincerely,

Mr. Christopher Weber
Principal

Fr. Charles R. Grondin
